HELLIKEIT PASLANMAZ ÇELİK ÜRÜNLER

Paslanmaz Çelik, estetiği ve dayanıklılığı ile uzun yıllardır otel & restoran projelerinde tercih edilen bir malzemedir.

HELLIKEIT, paslanmaz çelik ürünlerini sadece en üst kalite AISI 304 ham maddesi kullanarak üretmektedir.

HELLIKEIT, müşterilerine hayallerine ulasma fırsatı sunar. Ürün gamımızda yer alan paslanmaz çelik ürünlerin yanında, sizi dinleyerek size özel çözümler de üretebilen ekibimizle projelerinize katma değer sunmaktan büyük zevk duyarız.

HELLIKEIT, müşterilerinin ihtiyaçları doğrultusunda en uygun çözümler üzerinde ön çalışmalarını gerçekleştirip, sanal ortamda 3D modelleme, taslak ve render hizmeti ile üretim safhasından önce projenizi zihninizde canlandırır; kullanacağınız açık büfenin ve ürünlerin ayrıntılarını size sunar. Faydalı model patentine sahip vakum ped, açık büfe sunumlarında servis hizmetinizi yüksek kalitede verebilmeniz için tasarlanmıştır.

Vakumlu Silikon, yükselticilerinizin üzerinde sergilenen sunum elemanlarının kaymasını engeller. Bu sayede, ürünlerin düşmesinden kaynaklanan müşteri ve personel yaralanmalarını önlediği gibi, ürünleriniz zarar görmeden daha uzun süre kullanılabilir.

Vakum Ped, ayrıca ürünlerin yüzeyini de çizilmelere karşı korur. Vakum Ped ile malzeme ömrü uzar, bakım maliyetleri düşer ve servis hizmeti kolaylaşır. HELLIKEIT paslanmaz çelik ürünlerini, porselen ürünler ile kombin yaparak sunumlarınızı daha yaratıcı hale getirebilirsiniz. Sogutucu plakalı standlarımız ile ürünleriniz daha uzun süre serin kalabilirler.

Ürün gamımızda yer alan Bogaziçi serisi kolon ve modüler ahşap plakalar ile, dilediğiniz modeli yaratma ve sunma özgürlüğüne sahip olacaksınız.

HELLIKEIT Paslanmaz Çelik AISI 304 Ürünler ile daha doğal, estetik ve yaratıcı sunumlar... Hepsi sizin için...

HELLIKEIT STAINLESS STEEL PRODUCTS

For many years Stainless Steel, has been a product that is used in hotel and restaurant projects due to its aesthetic appeal and durability.

HELLIKEIT only uses AISI 304 stainless steel for its designs and products.

HELLIKEIT offers its customers the opportunity to realize their needs in an aesthetic and effective way. In addition to the stainless steel products, our team will be pleased to create added-value to your projects by offering custom-made solutions.

For the open buffet projects, HELLIKEIT designs the best possible arrangements in line with the requirements of our customers by the means of 3D modeling, drafting and rendering in a virtual environment. We visualize your entire project before its actual production and present you with the precise details.

The patented silicon pad is designed to provides a non-slip feature in open buffet areas. Therefore the risk of drop will be reduced. In addition, the silicon pad protects the surface of your products from scratches. By using the silicon pad, the dishes will last longer, the maintenance costs will decrease and the unwanted accidents will be avoided.

You can make your own creations and present the model of your choice with the Bogaziçi series of columns and modular wooden plaques.

Combined with porcelain and slate, HELLIKEIT stainless steel products give your meal tables an elegant touch.

HELLIKEIT BAKIR ÜRÜNLER

Bakır, mutfaklarda ve sunum elemanlarında her geçen gün hayatımıza daha fazla girmeye başlamıştır; bakır kullanan otel & restoran sayısı hızla artmaktadır.

Bakır ürünler, mutfaklarda yüksek ısı iletkenliği ile yemeklerin pisirilme sürelerini kısaltır, lezzete lezzet katar.

Tecrübeli Türk ustaların ellerde sekillenip çekiçle zarafet kazanan geleneksel bakır ürünlerimiz, size doğallığı ve estetiği bir arada yasar. Titizlikle kalaylanan yüzeyler, sağlığını korur.

Günümüzde kullanılan bakırların çoğu, mevcut bakırların geri dönüşümü ile yapılmaktadır, bu bakımdan bakır ürünlerimiz doğa ile dosttur.

Bakır ile hazırladığınız soslar daha kıvamlı olacaktır.
Bakır bir sunum tepsisinde gelen güzel aksam yemeği...
Bakır cezvede pisen Türk Kahvesi'nin inanılmaz kokusu...
Türk Lokumu ile damagınızda kalan essiz tad...

HELLIKEIT Bakır Ürünler ile daha doğal, estetik ve yaratıcı sunumlar... Hepsi sizin için...

HELLIKEIT COPPER PRODUCTS

Copper has become more and more part of our lives in kitchens and matters of presentation. The number of hotels and restaurants that use copper is rapidly increasing.

Due to their high heat conductivity, copper products reduce the cooking time and add flavour to your meals.

Our traditional copper products are formed in the hands of experienced Turkish masters. Patiently graced with hammer, a natural look is obtained at once. The surfaces, tinned with great care, have the benefit of protecting your health.

More than 95% of the copper used today is made out of recycled copper. Our copper products are sustainable.

The sauces prepared in copper saucepans have perfect taste and viscosity. Also copper is a nice dinner on a presentation board.

Traditional copper cezve gives its extraordinary taste to Turkish coffee.

HELLIKEIT AHSAP ÜRÜNLER

Ahsap, dogallığı ve estetiği ile otel & restoran projelerinde her geçen gün daha fazla tercih edilmeye baslanmıştır.

HELLIKEIT, yaratıcı ve kaliteli ahşap çözümlerini müşterilerine sosyal sorumluluk çerçevesi içinde sunar. Kullandığımız ağaçlar, doğayı koruyacak şekilde, Orman Genel Müdürlüğü'nün izin verdiği endüstriyel kesim alanları kullanılarak sağlanır.

HELLIKEIT, ayrıca TEMA Vakfı'na da üyedir, yapmış olduğu bağışlar ile doğadan aldığını doğaya geri vermeyi amaçlar.

Kullanmayı istediğiniz ağaç tipini bize belirtmeniz yeterli olacaktır; mese, zeytin, kayın...

HELLIKEIT, müşterilerine hayallerine ulasma fırsatı sunar. Ürün gamımızda yer alan ahşapların yanında, sizi dinleyerek size özel çözümler de üretebilen ekibimizle projelerinize katma değer sunmaktan büyük zevk duyarız.

HELLIKEIT, müşterilerinin ihtiyaçları doğrultusunda en uygun çözümler üzerinde ön çalışmalarını gerçekleştirip, sanal ortamda 3D modelleme, taslak ve render hizmeti ile üretim safhasından önce projenizi zihninizde canlandırır; kullanacağınız açık büfenin ve ürünlerin ayrıntılarını size sunar.

Ahsap katlı ekmek standları, yükselticiler, kek standları, kesme tahtaları alternatifleri sunumlarınızı daha güzel ve etkili hale getirecek.

HELLIKEIT ahşap sunum tahtalarını, porselen ve kayrak taşları ile kombin yaparak et ve yemek sunumlarınızı daha estetik hale getireceksiniz.

HELLIKEIT ahşap sandıkları, ürünlerinizi istiflemeniz için size çeşitli alternatifler sunacaktır.

HELLIKEIT Ahşap Ürünler ile daha doğal, estetik ve yaratıcı sunumlar... Hepsi sizin için...

WOOD PRODUCTS

Wood, with its natural and aesthetic quality, has become a frequent choice in hotel and restaurant projects.

HELLIKEIT offers its customers sustainable, inventive and high-quality wood solutions. We use trees cultivated in a sustainable manner at sites designated for industrial forestry by the General Directorate of Forestry.

Moreover, HELLIKEIT is a member of TEMA Foundation and through its donations aims to give back to nature what it received from.

We offer a wide selection of wood alternatives such as oak, olive, beech... HELLIKEIT offers its customers the opportunity to realize their needs in an aesthetic and effective way. In addition to the wood products, our team will be pleased to create added-value to your projects by offering custom-made solutions.

For the open buffet projects, HELLIKEIT designs the best possible arrangements in line with the requirements of our customers by the means of 3D modeling, drafting and rendering in a virtual environment. We visualize your entire project before its actual production and present you with the precise details.

Our range consists of multilevel bread stands, pedestals, cake stands and cutting boards that will make your presentations more pleasing for your guests.

Combined with porcelain and slate, HELLIKEIT wood presentation boards give your meat and fish tables an elegant touch.

HELLIKEIT wood containers offer various alternatives to stow your bakery goods.
