Paşabahçe - Denizli Factory

Paşabahçe is one of the top three glass manufacturers in the world, our Denizli factory the jewel in the company crown. Employing 400 glassblowers, Denizli is considered an academy of glassmaking, and it is here that our most acclaimed glass pieces are made.

Thanks to the passion, knowledge and skill of our craftsmen and women, Paşabahçe handmade glass has a global reputation for quality. We are renowned for the brilliance of our premium lead-free crystal and the purity of our coloured glass. Our craftspeople have an unparalleled knowledge when it comes to traditional glass-making. This is married with an extraordinary degree of innovation and artistry. We create glass in a wide range of colours, tones and textures, and remain relentless in our pursuit of new ideas. This passion for exploration has built our reputation, in doing so establishing partnerships with some of the world's greatest designers.

Today Paşabahçe produces glassware for over 50 world-famous brands, companies and national retailers.

We are also proud of the fact that our manufacturing process is eco-sustainable. We believe in a safe and healthy environment, one that respects the well-being of our workers and partners.

Thanks to the passion and creativity of our workforce, Paşabahçe has produced numerous highly prestigious collections over the years, both for the home and table.

Let us help you enjoy the same success.
